

Bold Distinct Vegan

(and that's just their
meal replacement)

Brendan Brazier, Ironman triathlete & best-selling author. Vegan since 1990.

Bif Naked, recording artist and CEO of her own record label. Vegan since 1995.

So what do superstar recording artist Bif Naked and professional ironman triathlete Brendan Brazier have in common? They're vegan and they rely on Vega to fuel their world-class performances.

A complete whole food meal replacement made exclusively from natural, plant-based ingredients, Vega is an ideal meal for people on the go, providing high quality convenient nutrition without compromises.

Formulated by Brendan Brazier, Vega features 25g of complete protein, essential fatty acids, fibre, vitamins, minerals, antioxidants, probiotics, enzymes and a full dose of ChlorEssence and MacaSure in every serving.
